Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Friday 19 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Outbreaks of rain, heavy in the north. Winds easing.

Today:
Cloudy with outbreaks of rain, but drier and very mild in the east across Inverness and Speyside. Rain will become heavy and persistent across Caithness and Sutherland. Strong southwesterly winds gradually easing. Maximum temperature 14 deg C (57 deg F).

Tonight:
Mainly dry in the south at first. However, outbreaks of heavy rain in the north will spread south across all parts overnight. A mild night again. Minimum temperature 9 deg C (48 deg F).

Saturday:
Rain clearing southwards in the morning followed by sunshine and blustery showers. Turning colder with strong and gusty northwesterly winds. The showers will turn wintry over high ground overnight. Maximum temperature 10 deg C (50 deg F).

Outlook for Sunday to Tuesday:
Bright spells on Sunday with showers, these wintry over the hills. Feeling cold with brisk northerly winds. A little milder on Monday and Tuesday with a few showers.
